

9 - 10 APRIL 2022

**FREEDOM TECHNOLOGY
CONFERENCE + TRADE SHOW**

WHAT PEOPLE SAY

BEAR ARMS N'BITCOIN

“

IT WAS AWESOME. VERY INFORMATIVE ON BOTH SIDES OF THE ISSUES, AND CREATED A GREAT ENVIRONMENT FOR SOME MEANINGFUL NETWORKING.

“

I WAS STUCK ON MY 3D PRINTING LEARNING CURVE AND THIS CONFERENCE HELPED ME OVER THE GAP AND ONWARD. THE SPEAKERS WERE PASSIONATE EXPERTS AND THE KNOWLEDGE DROPPED ON SATURDAY AFTERNOON ALONE WAS AMAZING.

“

AMAZING, INFORMATIVE, INSPIRATIONAL, EMPOWERING. JUST TO NAME A FEW OF MY FIRST THOUGHTS, GREAT GROUP OF PEOPLE ALL AROUND AND A NEWFOUND SENSE OF TRUE AMERICANISM IN THE MODERN WORLD.

“

GOOD TIMES, GLAD TO MEET SOME MORE BITCOINERS. DIDN'T WANT TO BURN AMMO, SO MISSED HALF THE CONFERENCE, BUT THE FRIENDS I MADE IN LIEU OF DAY 2 WERE WORTH TWICE THE TICKET COST.

“

IT WAS AN EYE-OPENING INTRODUCTION TO FREEDOM VIA TECHNOLOGY. THE CONFERENCE INTRODUCED MANY PEOPLE TO A WAY OF LIFE THAT WAS ONCE THOUGHT TO BE IMPROBABLE OR IMPOSSIBLE TO MANY. TAKING OWNERSHIP OF YOUR OWN SECURITY VIA SELF-DEFENSE AND FINANCE IS KEY TO SURVIVAL IN MOB-RULE AMERICA.

“

UNPRECEDENTED MEETING OF THE SUBVERSIVE GUN COMMUNITY THAT LIES AT THE INTERSECTION OF DIGITAL FREEDOM AND CRYPTOGRAPHY.

“

A VARIETY OF TOPICS WERE DISCUSSED AND I LEARNED SOME THINGS I DIDN'T KNOW, AND REINFORCED SOME THINGS I ALREADY DID KNOW. I LOVED THE BOOTHS WITH VARIOUS WEAPONS DISPLAYED, SHOWED THE WIDE RANGE OF OPTIONS OPENED UP BY 3D PRINTING.

“

IT WAS A BLAST HANGING OUT WITH FELLOW BITCOINERS AND FREEDOM LOVERS, SHARING KNOWLEDGE OF 3D GUN PRINTING, BITCOIN MINING, AND PRIVACY TECH. THE SECOND DAY AT THE RANGE WE GOT TO TRY OUT ALL MANNER OF FIREARMS INCLUDING 3D PRINTED ONES AND WERE ABLE TO TRAIN SOME DRILLS AS WELL. THE BEST CONVERSATIONS WERE HAD WHILE HANGING OUT WITH THE KOMMANDO CREW IN DOWNTOWN ROUND ROCK AT THE SALOON.
